Colossians 1:1-14

Training for Trainers (T4T)

1. Babies are born. Disciples are first born again.
2. Babies learn to breathe. Disciples learn to pray.
3. Babies learn to eat. Disciples learn to read and obey the Word.
4. Babies need a family. Disciples become serving church members.
5. **Babies have a father. Disciples live by Christ's authority.**
6. Babies grow up and reproduce. Disciples multiply themselves.

God stirs us to praise because of the work of Jesus.

Grace and peace pave the way for hope.

Hope is the seed that produces fruit.

God moves us to pray that Jesus will continue to work.

Our belief about Christ has consequences in our lives.

Faith is more than belief but a surrendered lifestyle.

God displays His power through the work of Christ.

He did what the Law or a person could not do.

We are rescued, transferred, redeemed and forgiven.

“ . . . the expulsive power of a new affection . . . ”

Puritan writer Thomas Chalmers

We love Jesus because He is our hope.

Verse of the Month:

He is before all things, and by Him all things hold together.
